

Single Axle

ON-TRUX Ltd.
Roll-off Systems

On-Trux Medium Duty Roll-off Systems are designed for single axle trucks from 19,500 to 38,000 GVW and can be installed on most new or used vehicles.

A truck equipped with an **On-Trux Roll-off System** uses interchangeable decks, bins, and bodies so one truck becomes a true multi-purpose fleet without a fleet's expense. Reduce costs and increase productivity.

Setting another industry standard, **On-Trux Medium Duty Roll-off Systems** are now available with a hot dipped, galvanized finish. Pairing this with our optional patented **Retractable Stinger**[†] makes an **On-Trux Roll-off System** the industry's preferred choice for quality, versatility, and exceptional maintenance-free performance.

[†](US Patents 6,641,353 & 7,037,062 and Canadian Patent 2,385,126)
